Crystal Lotus Sale on Selected Colors/Sizes

40% savings on 125 & 140mm Beautiful & Popular Crystal Lotus

ICE's # 3310 is simply beautiful looking and have great regular prices. Regrettably, ICE cannot import anymore into the USA for the foreseeable future. These sold incredibly well but now, it's time to clear them out when they are most sellable (before Christmas in case you didn't figure it out!). We want them out of inventory before the end of the year so we don't have to pay any inventory property taxes.
