## ICE's HUGE SALE TO REPLACE OUR ABSENCE AT THE ASD SHOW

We've decided not to exhibit at the ASD Show this August. We also realize you may not be attending due to the airline travel problems existing across the country.

However, many of you have enjoyed our tremendous show specials so we thought we would:

**Bring the ASD Show Specials to You!**

Those of you who have not attended this show will now capture all the benefits of the **FANTASTIC Show Specials** we offer. So, let's get started! (Just click on the prism pictures to enlarge)

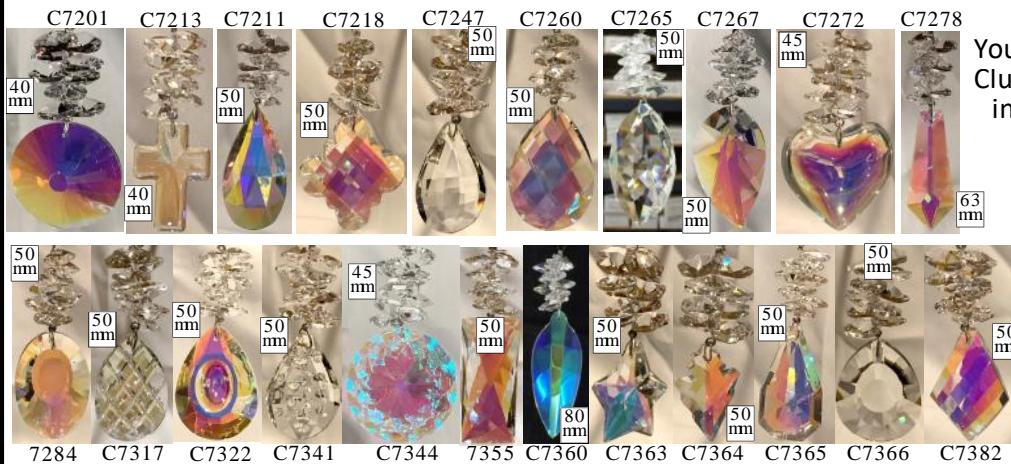

### Crystal Cluster Camelot!!

**Group 1: Comprised of a collection of (mostly) 50mm prisms with an octagon cluster top**

High Perceived Value

Ever since these were introduced 2 years ago they've sold like crazy...at regular price. How well will they sell now at **20% off**? Well Copernicus, if you haven't already figured it out then let me tell you...**Fantastic!**
